

EBOR ACADEMY TRUST

Ebor Academy Trust – Extended School Guidance for Arrivals & Collection of Children (Breakfast Club & After School Club)

Arrival

Staff members are aware of how many children are registered for each session. This is recorded on our noticeboard and any children who have not arrived within fifteen minutes of the session starting will be marked as absent. Please let us know in advance if your child will not be attending a booked session.

When dropping off your child at Breakfast club, please inform a member of staff if someone other than you is picking up from After School Club. Children will not be allowed to leave with an adult if we have not been informed previously.

Please also let us know of any problems / illnesses when you drop off so that we are aware of how your child is feeling when they arrive with us.

You must sign your child into Breakfast club when you arrive.

Departure

We will only let your child leave with the registered persons. If we have been informed by the registered persons of an alternative adult, we will also let the child leave but we will need to know who you are. We will need to see identification if you are an unfamiliar person to the setting.

Children cannot leave with anyone under the age of 16 years old.

In an emergency, if a parent was to ring and a neighbour or friend not on registration form was to collect and parent was unable to fill in a form we would ask parent over phone for a description of person collecting, id and as much information as possible.

Children must be signed out of After School Club by an adult and you are responsible for ensuring all belongings are collected.

It is parent's responsibility as to the wellbeing of their own child on leaving the setting as once out of the premises they are no longer in our care.

If a child is not picked up at their designated time of departure a senior member will contact parent to see if there is known reason as to why their child has not been collected.

Failing to contact all persons on registration forms we will contact the relevant authorities, two senior staff will stay at setting with the child if this is after closing until relevant authorities have contacted parent or arrived at setting.

We will as carers, always remain calm as to not alert the child concerned.

Under no circumstances will a child be allowed to depart from the school unless it is with a previously identified authorised person.

Staff must always be vigilant and aware of a child leaving the setting and who they answer the door to. If a child is collected early they must ensure children are signed in and out on room registers am and pm, being aware of how many children in a room at all times. A child will never be left alone within our setting.

Child protection

Children will often let us know of any problems and will confide in us through talk, body language or role-play. Our prime responsibility is the welfare and the wellbeing of all the children in our care. As such we believe that our duty to the children and parents/carers is to act quickly and responsibly in any instance which may come to our attention. If staff has a cause to be concerned that a child in our care may be subject to any form of abuse, we will follow the child protection procedures and inform social services.

Please Note: Trustees of the Ebor Academy Trust have overall responsibility for this policy, however where applicable responsibility is delegated to the individual schools Local Governing Body.
