

# Lakeside

PRIMARY SCHOOL

MAKE A DIFFERENCE EVERY DAY

WELCOME to Lakeside Primary School, where the personal development of children in our care is at the heart of everything we do. This prospectus will give you a taster of life at Lakeside and we would love you to pay us a visit and see for yourself.

We pride ourselves on creating a warm and welcoming atmosphere for all our pupils, encouraging their independence and growth, both socially and academically. Our motto 'Make a difference every day', represents our belief that every individual is special and can make a difference to those around them.

Our dedicated staff work hard for our children. They are committed to helping them reach their full potential. We cherish success and take the time to celebrate our children and staff - encouraging our pupils to feel proud of their achievements, whether inside or outside of school.

Be  
happy

"WE HAVE FRIENDS AROUND US AND WE HELP EACH OTHER OUT"

"THE SCHOOL MAKES EVERYONE

FEEL SO WELCOME,

THE CHILDREN AND STAFF ARE A DELIGHT"

"THE COURTESY AND RESPECT PUPILS SHOW TO OTHERS RESULT IN A HAPPY SCHOOL COMMUNITY"

OFSTED

# Be kind

AT LAKESIDE PRIMARY SCHOOL, we believe that nurturing our children and teaching them to respect and care for others is a key part of their education.

One group of children, our Digital Leaders, are ICT enthusiasts and take the time to stay after school to learn more about ICT and technology. They use this knowledge to help fellow pupils and teachers. Our buddy system pairs older children and younger children together, to help them grow through guidance and peer support.

A strong family ethos runs through the school, and we value our positive position in the community. We strive to create a valuable relationship between the school, and the parents and carers of every child, from Early Years Foundation Stage through to leaving for secondary school, are welcomed into school on a regular basis.

# Be CREATIVE

AT LAKESIDE, we pride ourselves on providing a wealth of opportunities for our children. The national curriculum is always at the core of our lessons and we appreciate the importance of equipping children with a real understanding of basic skills. These are reinforced through a wide range of exciting cross curricular activities.

We are a creative school, keen to ensure all our children flourish and reach their full potential. During their time at Lakeside, children will benefit from a curriculum supported by many exciting educational visits and visitors who come to work with the children. In Key Stage 2 there are two opportunities to take part in residential outdoor adventurous activities, including canoeing, abseiling and climbing.

Our exceptional outside facilities are the perfect environment for letting children learn through play. Pupils take part in a range of sports, and learn outdoors in our 'Forest School' and on-site allotments. Pupils are encouraged to work together and have confidence in their learning.
