A professional environment for meetings or training events

With its contemporary design and tasteful, understated decor, the Ebor Business and Training Centre is an ideal venue for professional conference/meeting/training events of up to 50 people.

We're located in a quiet residential location to the east of York city centre, close to the ring road, with free car parking for your delegates on site.

We can provide a **Conference Hall** and separate **Training Room** at the end of a short corridor which has break-out sofa seating, all on one level. Catering can be provided in-house for tea/coffee breaks and cold or hot buffet lunches, with bespoke arrangements on request.

We offer 100mbps broadband speed and free guest WiFi, a top quality long throw projector with 3.5m screen, quality sound system, and roving and lapel microphones. Use our laptop or bring your own, or a memory stick, for your presentations. Our technician can set up the equipment.

Cabaret style table and chair arrangement in the Conference Hall and we supply notepads, pens and individual bottles of water for all delegates.

The venue itself is a primary school refurbished in summer 2018 to high standards. It is DDA compliant and accommodates the business and training centre headquarters for Ebor Academy Trust. This is also the site for Osbaldwick Primary Academy's Early Years provision, which has a separate entrance for its children. The venue is therefore perfect for education-oriented events.
